40 Steve Jordan Grooves

Steve Jordan is one of the greatest drummers of our time. Here is a tribute to his amazing grooves.

Half of the transcribed beats are from his DVD 'The Groove Is Here', which I have watched a thousand times and is a must have for every drummer.

The second half of the transcriptions is a collection of grooves from records Steve has played on.

17" Hi-Hats are highly recommended ;-)

You can click on each groove in the Pdf to go to its specific time in the [YouTube video](#) where I play each example.

Enjoy!

This is part of my 'Groove Masters' mini-series. A few more are on their way (and [drop me a line](#) if you have any request).

For instance, I have also created three booklets about Vinnie Colaiuta, Jeff Porcaro, John JR Robinson and Neil Peart, which you can download [here](#):

[Vinnie Colaiuta Grooves](#)

[Jeff Porcaro Grooves](#)

[John JR Robinson Grooves](#)

[Neil Peart Grooves](#)

And if you feel like working on your groove, these are for you:

'Groove Workout & Tools' – Altitude Drumming – Volume 7

'Groove Mastery & Formulas' – Altitude Drumming – Volume 8

The click sound is intentionally mixed on the left channel. Pan to the right to listen to just the drums without the metronome.
